

Summer is Upon Us!

I hope this newsletter finds you well!

I would like to thank everyone for their continued commitment towards keeping our neighborhood clean, tidy and well kept.

2021 was another relatively quiet year as Covid continued to interrupt us. The board therefore focussed on keeping the entrance in good order with a new timer for the lighting, camera maintenance and ensuring the irrigation system is in good working order for this summer.

We held off on any significant projects and this means we remain in a healthy financial position. We would, of course, appreciate your input and feedback on any improvements we could make at the upcoming AGM.

All the best, and I look forward to seeing you soon!
